**CIRCULAR – 08/2017**

**Sub : Monsoon Contingency at the RAMP....req**

In continuation of circular no:- 07/2017 with regards to the monsoon preparedness. It is hereby informed to all airlines and their appointed GHAs operating at CSI Airport to use only **polythene sheets of 80 microns** and above for wrapping the built up pallets which are ready and released for loading. All are requested to adhere to ensure zero wet damage and safe handling of the export shipments especially during the monsoon season.

It is also to be informed that the pallets which are not meeting the above specification will not be allowed to the ramp for loading. Hence all concerned are requested to note the same for strict compliance.

Thanking you
