CIRCULAR – 09/2014

Sub : e-Freight Initiatives at Air Cargo Complex, CSIA...reg

This is with reference to the implementation of e-Freight initiatives by Mumbai International Airport Pvt Ltd (MIAL) at CSI Airport and the subsequent presentation held on 10th July 2014 for the roll out of GMAX effective 5th August 2014. All carriers operating at CSIA are required to establish connectivity for EDI message exchange through GMAX community portal.

- ✓ Those airlines who are already connected to GMAX concessionaire's (M/s Kale Logistics Solutions P Ltd) EDI platform will need to configure all of their customers from Mumbai for EDI with their system via GMAX
- ✓ Those airlines who are not connected to the concessionaire's EDI platform will need to advise their IT team or EDI service provider to get in touch with the below officials for establishing connectivity. Kindly note that message exchanges will happen via FTP/SMTP mechanism.

MIAL will accept only electronic advance shipment information through GMAX at CSIA and the information exchange will be digital only for key documents like Master Air Waybill and House Manifest. Hence the connectivity has to be established by 15th August 2014. Your co-operation is solicited.

In case of any queries or challenges please contact the below officials :-

Sr.No	Name	Contact No	Email ID
1	Mayilvanan T	66851361 / 9987587399	Mayilvanan.t@csia.gvk.com
2	Satish Prasad	66850324 / 9619996617	Satish.prasad@gvk.com

Yours Faithfully
For Mumbai International Airport Pvt. Ltd.
