**GMAX : e-Freight Initiatives at Air Cargo Complex, CSIA...reg**

We appreciate the overwhelming response to the second phase of GMAX launched on 5<sup>th</sup> August 2014. As per the request from stake holders to maximize the familiarization of several GMAX features, the trial period of on-line Advance Shipment Information (ASI) submission has been extended till 31<sup>st</sup> August 2014.

All freight forwarders are required to submit the ASI for all shipments effective 1<sup>st</sup> September 2014 onwards and the TSPs will be generated ONLY after receiving the ASI for the shipments.

For effective ASI data transmission, you are advised to establish interface of your system with GMAX in co-ordination with our concessionaire M/s. Kale Logistics Solutions Pvt Ltd on [gmax.support@gvk.com](mailto:gmax.support@gvk.com) (Circular 10/2014 dated 26<sup>th</sup> July 2014).

Yours Faithfully
